The foot print looks like not a foot print to be seen

snow glows white on the mountain to-night, not a foot print to be seen

A kingdom of isolation, and it looks like I'm the queen.

I'm the queen.
The wind is howling like this swirling storm inside.

Could-n't keep it in, heaven knows I tried.

Don't let them in, Don't let them see Be the good girl you always have to be. Conceal, don't feel, don't let them know.

Well now they know! Let it go,
It's funny how some distance makes everything seem wrong,
it go, no Let No right, through.
I can what see at all.
can't get me can't get to me at all.
It's time to see what I can do,
It's time to see what I can do,
To test the limits and break through. No right, no wrong,
To test the limits and break through. No right, no wrong,
no rules for me, I'm free!
no rules for me, I'm free!
Let it go,
Let it go,

I am one with the wind and sky.

Let it go,

You'll never see me cry.

Here I stand and here I stay.

Let the storm rage on.

My power flur-
Crescendo through the air into the ground.

My soul is spiraling in frozen fractals all around.

And one thought crystalizes like an icy blast.

I'm never going back, The past is in the past.

Let it go, Let it go,
And I'll rise like the break of dawn
Let it go,
That perfect girl is gone.

Here I stand in the light of day
Let the storm rage on on

cold never bothered me anyway.
